CLEAR PROCECSS

Specification Gathering

We'll collect the needs of your particular business before Starting.

Quote

Within 24 hours of your initial call, we'll provide you a Quote for your Website & Payment Methods. We also Offer Partner Plans for E-Commerce Business Websites to keep your Operating Costs Low.

Timeline

Project completion timelines are clearly defined, and any delays beyond the agreed schedule will be managed at ByteStart Technologies' expense.

Coordination with Client

Any necessary information or details required during the project will be coordinated with the client using their preferred method of digital communication, whether it's via Call, Text, WhatsApp, or E-mail.

Project Completion

Credential handling and account setup will be managed by ByteStart Technologies. If any training or guidance is required from the client's side, we will provide support to ensure a smooth process.
